EDUCATION

University of Pittsburgh — Pittsburgh, PA
B.S. Economics & Statistics and Minor in Information Sciences — Expected May 2028
International Baccalaureate Diploma, The International School of Bangalore — 2021 - 2023

FOUNDER & OPERATING EXPERIENCE

StrayPaw | Solo Founder, civic-tech records platform for India — 2026 - Present
- Built and launched a live platform with 30,000+ animal records across 28 Indian cities.
- Shipped NGO case workspaces, municipal ABC/ARV analytics, maps, offline field access and embeddable partner widgets.
- Structure partner NGO and public datasets into audit-ready sterilization and vaccination reports (ABC Rules 2023).
- Contacted 40+ NGOs, feeders and government bodies; partnering with VaccSafe (Hyderabad) on microchip-linked dog profiles.

Crowwd | Founder's Office Intern, fintech platform, ~20,000 users — May 2025 - May 2026
- Ran multi-channel user acquisition (Reddit, X, YouTube, Google Ads, GEO); organic channels onboarded 200+ users.
- Benchmarked Crowwd against 7 social-investing platforms (incl. Stocktwits, eToro); wrote the GEO playbook for the Founder & CEO.
- Launched Arthavaad, a multi-city monthly speaker series; ran speaker outreach, brand partnerships and logistics.

TOT Schools | Operations Lead, 8-centre early-childhood business, India — Jun 2025 - Apr 2026
- Ran 6 functions across 8 centres: technology, facilities, people, nutrition, documentation, finance.
- Rolled out Illumine (attendance, billing, parent comms) and CCTV in every centre.
- Hired and onboarded centre heads, teachers, nurses and cleaners; wrote a 12-document handbook and SOP suite.

HDFC Bank Wealth Management, HNI Division | Wealth Management Intern — Jun - Aug 2025
- Researched equities, mutual funds and macro trends for HNI portfolio reviews; built client-facing pitch decks.

Juno-AI | Founder, healthcare-access platform — Jun 2019 - Jul 2024
- Founded at 14 and grew the platform to 10,000+ rural users; closed four healthcare partnerships, driving 180% user growth in 12 months.
- Built a retrieval-augmented health assistant grounded in vetted sources, plus doctor discovery, pharmacy support and a health dashboard.
- Published the system design and a formative evaluation as a research paper.

RESEARCH & PROJECTS

3Sixty Fellow | Pitt School of Computing and Information — Current
- Selected to conduct applied AI research under Professor Rosta Farzan.

Investment Memo Library and Forecast Ledger | Independent — 2025 - Present
- Wrote 10 investment memos on healthcare and fintech companies (India, global), each a dated thesis scored against outcomes.
- Published 15 forecasts with stated priors: Brier score 0.134 vs. 0.25 for chance (75% hit rate).
- Mapped 55 Indian healthtech organizations into a published ecosystem landscape of funding, stage and competitive edge.

Apodaca Lab, Pitt School of Medicine | Research Assistant — Jan - Dec 2025
- Cultured primary bladder urothelial cells for PIEZO/TMEM63 mechanotransduction studies; contributed figures to manuscripts and grant submissions.

UPMC Emergency Medicine | Research Assistant — Aug - Dec 2024
- Abstracted and coded EMR data into REDCap for retrospective trauma studies.

Project Nidaan | Research Coordinator, medication access among gig workers — May 2022 - Aug 2024
- Ran 50+ field interviews with delivery riders; owned coding and analysis; set up Zomato and Swiggy distribution partnerships.

PUBLICATIONS & LEADERSHIP

- Kapoor, J. Juno AI: A Retrieval-Grounded Conversational Platform for Equitable Healthcare Information Access. 2024.
- Ethnographic Study on Preventive Healthcare Adoption in Rural India. IJEDR, 2022.
- Founder, The Finer Things Club (2021-2024): onboarded 300+ rural artisans; $8k+ revenue via NGO and marketplace partnerships.
- Team Leader, JumpStart/AmeriCorps: led 8 corps members delivering early-childhood literacy programs in Pittsburgh schools.
- Skills: SQL, Excel (modeling, PivotTables, VBA), REDCap, regression, probabilistic forecasting; builds products with AI coding tools (Next.js, TypeScript, Supabase). Languages: English, Hindi.
